Additional Backup Information

When the City acquired this street in 1999 it was unnamed. This request by MileStone Community Builders, an adjacent property owner, is to rename the entire 580 foot length of the unnamed street to "RIVERS EDGE WAY" for ease of location. The renaming is consistent with Section 14-5-4 of the City Code.

The application fee of \$415 has been paid by adjacent property owner MileStone Community Builders. A processing fee of \$200 has been determined for a street sign located at the corner of E. Riverside Drive and the unnamed street, which is located south of E. Riverside Drive and 732 feet east of Faro Drive. Petitioners have been advised of the street sign placement cost and their responsibility for payment.

The only other adjacent property owner has agreed to the street name change, and, therefore, no public hearing is required under Section 14-5-7(c) (*Recommendation to Council and Council Action*) before Council takes final action.
